

# ULURU STATEMENT

CatholicCare Wilcannia-Forbes is proud to support the Uluru Statement from the Heart. We accept the invitation from the Uluru Statement to all Australians to support constitutional and structural reform so Aboriginal and Torres Strait Islander people can take their rightful place in our nation.

We support the proposal for A Voice to Parliament to give Aboriginal and Torres Strait Islander people a say on matters that impacts communities.

The call for a Voice to Parliament through the Uluru Statement from the Heart remains just as important as it was in 2017. It is a fair and practical reform that will make a real difference for Aboriginal and Torres Strait Islander people.

CatholicCare Wilcannia-Forbes works with the communities in western NSW, we know how important it is for Aboriginal and Torres Strait Islander people be able to provide advice to Parliament and Government on laws and policies that impact us all.

The development of the Uluru Statement from the Heart is an important opportunity to redefine our nation. It is our chance to come together and deliver real change for Aboriginal and Torres Strait Islander people.
